Starting Line/Finish Line Trussing Systems & Inflatable Arches

Spruce up your race with a great starting line and finish line trusses or inflatable arches! You want runners, walkers and spectators to remember your race as a fun, safe, and amazing experience, and what better way to do that than to invest promote in your start and finish line!!

Everyone remembers a great starting and finish line that just “PoPs”! We have a couple different options with our Box Trussing systems that can be wrapped with a number of options such as coroplast, vinyl, or scrim. Our inflatable arches have five area’s with velcro (on both sides) so your signage/design to add for maximum exposure/promotion.

We can design your start/finish line wrap, or you can just rent the trussing plain and add your own designs.

****See some Gantry Pics on following pages****
